## PROFILE

I am pursuing a Bachelor of Science in Computer Science at the University of Texas at Dallas. My anticipated graduation date is May 2022.

I am actively looking to further my education and career in Computer Science. I love working in software development, preferably in object-oriented programming with Java and Agile Development.

## SKILLS

- Programming languages: Java SE, Java EE, C++
- Web development: HTML, CSS, Javascript, NodeJs
- Frameworks: Spring, Angular
- Database: MySQL, MongoDB
- Version control: Git

## COURSE WORKS

- Data Structures and Algorithms
- Advanced Algorithm Design and Analysis
- Database Systems
- Software Programming
- Object-Oriented Design
- Advanced Java
- Human Computer Interactions

## OBJECTIVE

Seeking an entry level position in software development where I can apply my programming knowledge and utilize time management, communication, critical thinking, and problem solving skills to contribute to the company's success.

## EDUCATION

### Bachelor of Science in Computer Science

#### THE UNIVERSITY OF TEXAS AT DALLAS - Richardson, TX (May 2022)

- GPA: 3.89/4.00
- Phi Theta Kappa Transfer Scholarship
- Comet Transfer Scholarship

### Associate of Science

#### DALLAS COLLEGE EASTFIELD CAMPUS - Mesquite, TX (May 2019)

- GPA: 3.78/4.00
- Magna Cum Laude Latin Honor
- Phi Theta Kappa Honor Society
- President's Honor Roll (2018-2019)

## PROJECTS

### Responsive Portfolio Website - HTML, CSS, Javascript

- A portfolio website to showcase my qualifications and my software development projects.
- Responsive mobile-first approach.
- Designed and developed using HTML, CSS, and Javascript.

### Employee Management System - Spring, Angular, MySQL

- A full-stack CRUD web application that allows user to add, update, retrieve, and delete employee.
- Developed using Angular 10 and Spring Boot.

### Budget Calculator Web Application - Angular, Node

- A CRUD single-page web application that allows user to add, update, delete items as income or expenses.
- Budget is calculated by subtracting expenses from income.
- Developed using Angular 10.
